Renault CLIO
Even more irresistible

You’ll fall under the irresistible charm of our Renault Clio. Its sensuous curves make it stand out from the crowd. Its new grille and lighting signature mesmerises with a front end panel that is more rewarding than ever. No other car in its category has as much personality. With the Clio, each day is more intense than the last.
Intriguing and seductive, the updated Renault Clio flaunts its modern and distinctive style. Sensuous curves, an expressive new front end and sporty rear shoulders. The Renault logo takes centre stage on the radiator grille. Desire in every detail. The new Pure Vision LED headlights* are instantly recognisable. From the side, its 16" black diamond-cut Pulse wheel rims* underline its dynamic silhouette. With the Clio, every detail counts. *Model dependent
Fall in love

Designed with seduction in mind, the Clio has inspired a story about passion. It is all about fascination and intrigue, dynamic attraction fuelled by technology. Encounters with it are thrilling.

The Clio adapts to your every desire like second nature. Whatever colour you choose, live the story and fall in love your way.
A look inside the Clio

The passion continues on board the Renault Clio. Crafted door panels, refined upholstery and a leather steering wheel add to the atmosphere of the new cabin. All of the technologies contained on the multimedia system screen are accessible with a simple gesture and voice control. The generosity of the Renault Clio is unique in its category: 4 Airbags, ABS, multimedia, hands-free card*, Hill Start Assist, ECO mode, Cruise control with speed limiter, Climate control** with combined pollen/activated carbon filter and toxicity sensor and Renault Bass Reflex® - A sophisticated sound system for optimum bass reproduction.

Sleek, aeroplane-wing dashboard design, accessible centre panel, digital speedometer for increased readability, height-adjustable driver’s seat with a range of 70mm, height-and-reach-adjustable steering column, choice of colours, chrome and gloss black materials fill the modern cabin.

1. **ECO mode** - Activated by the press of a button, this mode can help reduce fuel consumption and CO₂ emissions by up to 10% depending on driving style.
2. **Speed limiter and cruise control** as standard.
4. **Climate control**** with combined pollen/activated carbon filter and toxicity sensor. The filters reduce fine particulate matter and pollutants (exhaust gases, odours). If a high pollution level is detected, the system automatically shuts the ventilation.
5. **Hands-free card** - Access, starting and remote locking.
6. **Parking aid** - Four reversing sensors.
7. **Hill start assist** - When starting the vehicle on a hill, the brake pressure is automatically maintained for 2 seconds, giving the driver time to manoeuvre.
What could be more exciting than having the future at your fingertips? With the Renault MediaNav touchscrenn multimedia tablet, you can explore a range of functionalities with ease: integrated navigation, multimedia, radio and telephone system with Bluetooth connectivity. The fun “Eco Driving” coach gives you handy tips to improve your driving style and reduce your fuel consumption.

MediaNav Just touch

Is an application that turns your smartphone into a touchscreen for your dashboard. The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons.

- **Phone**: Digital keypad, call history and contacts, phone calendar
- **Media**: Select the input source for the stereo (including USB and AUX socket) and control the radio, or play music from the phone. Vehicle: Eco-driving score, fuel consumption information and trip computer
- **Navigation**: There are 2 options for navigation - 3D vehicle navigation provided by CoPilot (in-app purchase) where maps are downloaded onto the phone (does not use phone’s data) - or your own navigation app (uses phone’s data).
Number 1 priority. Safety for all

Renault’s responsible vision involves providing the most modern and effective passive and active safety systems, regardless of the equipment level of your vehicle. Enjoy 5-Star safety with a Clio.

1. **Protection.** Reinforced structure, high-efficiency front airbags, head-throat side airbags, pressure sensor to detect impact, seat belts with pretensioners and load limiters (front seats), anti-whiplash headrests, load limiter function (rear seats), luggage retention bar at the bottom of the front and rear seats (V-motion). Three Isofix 3-point seat attachments (front + rear sides). Lastly, the bonnet is designed to manage pedestrian impact.

2. **Cruise control-speed limiter.** Lets you set a cruising speed or a maximum speed. A steering wheel-mounted control allows you to adjust the speed.

3. **Seat belt reminder (SBR).** With sound signal and visual indicator for maximum safety of all passengers.

4. **New generation ESC (Electronic Stability Control) and ASR (Anti-Slip Regulation) active traction control.** Ensures the vehicle remains stable even in 30% off-road conditions. S. AEB: The ABS active traction control system makes starting easier in all low-grip conditions. 6. ABS: Anti-lock braking system with electronic brake distribution (EBD) combined with emergency brake assist (EBA) to maintain trajectory control in the event of hard braking.

Features and images may vary and be optional depending on model, and are subject to change without notice.
Turbo Power
The very efficient Turbo engines are lively and agile. With its precise tuning, the turbo is available quicker and more often. It provides more power and more torque during sharp acceleration.

Stop & Start*
Automatically turns off the engine when the Clio is stopped and in neutral, cutting down on emissions, fuel consumption and noise. Restarts instantly, smoothly and without vibrations.

F1 Technology
High tumble strategy - the flow of fuel mix is optimised in the combustion chamber, allowing the air to turn up to 2 times quicker for near instantaneous combustion. Diamond-like Carbon coated cam lobes and followers and graphite coated piston skirts are other high tech F1® treatments that lower friction.

Eco Mode*
To reduce fuel consumption even further, the driver can hand over control of some driving duties to Eco Mode, which modifies the vehicle’s acceleration, torque/power management and heating/air-conditioning. Driving is made smoother and acceleration longer, thus saving fuel.

Features and images may vary and be optional depending on model, and are subject to change without notice.
Clio GT-Line
The Clio for the sporty at heart!

The Clio GT-Line is the embodiment of sporty sophistication. The perfect Clio for everyday comfort with exclusive sporty exterior styling. Now with added power from the 1.2 88kW Turbo engine driven by the slick 6-speed manual gearbox.

Features and images may vary and be optional depending on model, and are subject to change without notice.
Stimulate your competitive spirit

The New Clio R.S., a distinctive and high-tech sports car, gives you the feeling of motor sport on an everyday basis. Its design, distinguished by the codes of competition, sets the tone. And its new lighting signature sets itself apart.

On the New Clio R.S., stylistic details also increase performance. Designed for optimum aerodynamic efficiency, the diffuser offers an 80% increase in rear support and the custom spoiler provides 20% additional support. The New Clio R.S. introduces its new lighting signature integrated into its LED Pure Vision headlights and its additional LED R.S. Vision lighting. A perfect union of aerodynamics and passion.

Features and images may vary and be optional depending on model, and are subject to change without notice.
1.6 Turbo R.S.
The 4-cylinder, 16-valve turbo delivers 147 kW at 6,050 rpm and torque of 260Nm is reached from just 2,000 revs. This engine benefits from groundbreaking technology modelled on the F1C (Diamond-like Carbon) pushrods derived from Formula 1®. This engine also blends performance with practicality. Its engine verve is complemented by tightly controlled fuel consumption of 5.9L/100 km. The sporty turbo engine is accentuated by the exclusive coupling with the EDC 6-speed dual-clutch gearbox.

Steering wheel paddles are state-of-the-art sportiness. For fast gear changes – up to 120ms – without affecting the steering use of your hands. Optimised performance thanks to the combination with the sequential EDC 6-speed dual-clutch gearbox, offering reactivity and driving comfort. In Race mode on R.S. Drive, the gearbox becomes fully manual.

Launch Control
Discover the exhilaration of the most energetic standing start using electronic intelligence to reproduce the efficiency of an experienced racing driver. With paddles at hand, right foot on the accelerator and left foot on the brake, the message, ‘Launch Control On’, is displayed. As soon as your left foot is raised from the aluminium pedal, New Clio R.S. explodes off the line, with breathtakingly dynamic gear changes.

1.6 Turbo R.S. Trophy
Anchored at those who also want to let loose on the track. An additional 20 horsepower and up to 20Nm extra torque, thanks to new engine mapping, a larger turbo and remodelled intake system and exhaust downpipe. The EDC gearbox has been tweaked to get the most out of it too. Maximum power is 162kW at 6,250 rpm. Torque output is 280Nm and overtorque in 4th and 5th gear enables an increase to 280Nm. It also features lowered suspension and a race-inspired Akrapovic® exhaust system.

R.S. Monitor
The R.S. Monitor is the dedicated telemetry tool that controls and measures your car’s performance. Functions include: a lap timer, with memory function; performance data, such as acceleration times; transverse and longitudinal g-force; data for the main engine functions, including oil temperature and brakes plus real-time engine performance data (torque, power etc).

R.S. Drive
Pressing this button gives you access to three modes: Normal, Sport and Race. According to the mode, R.S. Drive alters the mapping of the gearbox, ESC behaviour, steering and the sensitivity of the accelerator pedal. Multifaceted and versatile.

Features and images may vary and be optional depending on model, and are subject to change without notice.

AUTHENTIQUE

Exterior Design
- Body-coloured door handles
- Body-coloured mirrors
- 16" wheels with up to 16" hubs
- LED daytime running lights

Interior
- Upholstery available in two colour schemes (black/gray)
- Black injected dashboard
- Height-adjustable driver’s seat
- 3-1/2-3/4 split fold-out bench seat
- Chrome detailing and door handles

Safety
- ABS
- EBA (Emergency Brake Assist)
- ESC (Electronic Stability Control)
- Cruise control with speed limiter
- Front and side driver and passenger airbags
- Driver seat belt reminder (SBR)
- Isofix seats

Comfort and Convenience
- Variable power-assisted steering
- Air conditioning
- Electric front windows

Entertainment
- Bluetooth® radio with Renault Bass Reflex® System
- R&Go® App with smartphone cradle
- USB & iPod connection

Options
- Metallic paint

DYNAMIQUE

Exterior Design
- Gloss black B-pillar
- Gloss black side protections and tailgate
- Chrome strip on side body protections and tailgate
- Pure Vision LED headlights with integrated L-shaped LED Daytime Running lights
- 16” alloy wheels

Interior
- Fabric & TEP leather mix upholstery

Comfort and Convenience
- One-touch-up window on driver’s side (with anti-trapping function)
- Hands-free card with remote locking
- Electric rear windows
- Foldable door mirrors
- Rear parking distance control
- Automatic lights and wipers

Options
- Climate control
- Fixed glass roof
- Metallic paint

GT-LINE

Exterior Design
- GT-Line titanium grey rear diffuser with chrome tailpiece
- Body color side door protections with titanium grey inserts
- Titanium-grey coloured wing mirror shells
- 17” Titanium-grey alloy wheels

Interior
- GT-Line embroidered fabric & TEP leather mix upholstery
- Leather driving wheel (with GT-Line badge) and gear lever

Options
- Climate control
- Fixed glass roof
- Metallic paint

Features and images may vary and be optional depending on model, and are subject to change without notice.
CLIO R.S. 200 LUX

R.S. 200 Lux = Dynamique +

Exterior Design
- Silver 17” alloy wheels rims with R.S. studs
- Glossy Dark Metal Formula 1® strip
- High-gloss Black mirror covers
- Rectangular chrome twin exhaust pipes, integrated into the diffuser
- Glossy Dark Metal rear diffuser
- Pure Vision LED headlights with integrated C-shaped LED Daytime Running Lights
- R.S. Vision LED lighting signature (chequered flag design front foglights)

Comfort and Convenience
- Climate control with combined pollen/activated carbon filter and keyless sensor

Driving
- Dark Metal gear change paddles behind the steering wheel
- Gear lever with flick-shift function
- Rear parking distance control with feedback on 7” screen
- Gear change indicator (visual and audible)
- Three-colour driving style indicator (green, yellow, amber)
- R.S. Drive (3 modes: Normal, Sport and Race)
- ETC (Electronic Traction Control)
- R.S. Monitor 2.0
- Sport Chassis

Entertainment
- TomTom® navigation, audio streaming and Bluetooth® hands-free telephone system, USB and jack ports and 3D Sound
- SA Maps
- Renault Bass Reflex® bass optimisation audio system

Options
- Metallic paint

CLIO R.S. 220 TROPHY

R.S. 220 Trophy equipment = R.S. 200 Lux +

Exterior Design
- Trophy Pack: Trophy chassis, lowered suspension, red brake callipers, Carbon Black 18” alloy wheel rims and extra dark tinted windows
- Optional Frost Pearl White exterior body colour
- Trophy branded rear door strip insert
- Akrapovic® exhaust system

Interior
- Black leather Renault Sport seats - heated front

Options
- Metallic paint

Accessories

Sport Kit
Front Spoiler, rear diffuser, side skirts, fog light trim and door mirror base.
82 01 498 966

Mudflaps
A pair of mudflaps that can be fitted to the front or rear. Protect the body from mud and stones.
82 01 212 479

Exterior design

01 Sport Kit
Front Spoiler, rear diffuser, side skirts, fog light trim and door mirror base.
82 01 498 966
(Not compatible with R.S. & GT Line versions)

02 Mudflaps
A pair of mudflaps that can be fitted to the front or rear. Protect the body from mud and stones.
82 01 212 479

Carrying and Towing

01 Roof box
Increases the load capacity of the vehicle, compatible with all roof bars. Finish: Gloss Black

02 Aluminium roof bars
Set of 2 transverse roof bars on roof, and they can carry a load of up to 75kg

03 Bicycle rack
Attaches to any type of towbar and can be used to easily transport up to 3 bicycles.

- 77 11 577 332 Bicycle rack mounted on towbar (2 bicycles)
- 77 11 577 331 Bicycle rack on Euroway mounted on towbar (3 bicycles)
- 77 11 122 691 2 13/7 pin Adaptor for bike rack

04 Towbar
With removable ball joint. Preserves the aesthetic appeal of your Clio thanks to its ball joint that can be removed in a few seconds without the need for tools.

- 77 11 577 448 (Quick Release Towbar + Harness)
  Not compatible with R.S. & GT Line versions

Actual accessories may vary from photographs shown and are subject to change without notice.
**Accessories**

**Interior design**

01 **Non slip boot mat**
Prevents transported items from rolling around inside the luggage compartment.
82 01 321 290

02 **Partition grille**
Provides effective separation between the boot and the passenger compartment. Essential for ensuring the safety of your pet.
82 01 321 369

03 **Luggage compartment stain protection**
Made-to-measure, reversible with 1 textile side and 1 rubber side. Effective protection for the original boot carpet. May be folded for easy stowage.
82 01 361 213

04 **Premium floor mats**
These passenger compartment mats provide effective protection for the original carpet while integrating perfectly into your Clio’s interior.
8201321304 (Red)
8201321302 (Blue)

05 **Comfort floor mats**
Provide complete protection of the passenger compartment floor. Custom fit, especially designed for the vehicle.
82 01 321 15

**Onboard experience**

01 **Front armrest**
Emphasizes on the sporting style of the car interior while at the same time adding a touch of originality.
82 01 367 09

02 **Rear parking distance control**
This system makes manoeuvring and parking quicker and easier.
82 01 373 014

03 **Alarm**
The essential item for ensuring the security of your vehicle. It effectively reduces the risk of vehicle theft and the theft of objects in the passenger compartment.
82 01 275 125

Actual accessories may vary from photographs shown and are subject to change without notice.

**The Renault Promise**

**MyRenault**
- MyRenault has been designed to make your life a little easier.
- Manage your vehicle online and take advantage of a range of specially tailored offers and benefits.
- Register now: www.myrenault.co.za

**Parts Availability**
- Renault ranks amongst South Africa’s motor industry leaders in affordable parts pricing.
- We strive to ensure an excellent level of parts availability at our Renault Dealerships.

**5 Year / 150 000km Warranty**
- With a 5 year / 150 000km warranty*, you’re always covered.
- Should you experience any mechanical (but not electrical) defect in an original part(s) on your new Renault vehicle, Renault will cover the cost of repairs for a period of 5 years or 150 000km.

**Service / Maintenance Plans**
- We offer standard or tailor-made options to suit your needs.
- **Service Plan**
  - Leasing a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won’t have to worry about inflationary price increases on labour or parts, for the duration of your Service Plan.
- **Maintenance Plan**
  - Upgrade to a full Maintenance Plan, a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, but also gives you greater peace of mind.

**24HR Roadside Assistance**
- Whatever the emergency, we’ll always be there.
- Because your personal safety and well-being is our utmost priority to us, help is one phone call away. Simply dial 0861 736 2858 for assistance or for a team to be dispatched to you. Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.

*Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, car belt, etc.
