275 TROPHY

# F1 inspired perfection

The Renault Mégane R.S. 275 Trophy is an all-round performance car. A car that combines everyday driveability with even sharper on-track performance.

The CUP chassis fully taps the potential of the RenaultSport 2.0 Turbo engine, now boosted to 201kW.

Drawing upon decades of Renault's Formula 1® expertise and racing innovation, RenaultSport has yet again created perfection.

RenaultSport has allied exceptional dynamic qualities with advanced versatility to create, what without doubt, the most accomplished sports hatch currently on the market.

The Renault Mégane R.S. 275 Trophy demands a serious driver. With strictly limited numbers available this is your chance to own a performance icon.

## A thrilling CUP chassis

The Mégane R.S. 275 Trophy features a Cup chassis specially tuned for enthusiasts of sporting performance. Equipped with a limited slip differential, the Cup chassis delivers dependable efficiency at all times, regardless of grip conditions or driving style.

## An Akrapovič Sound signature

Renowned for its work with motorcycles and performance cars, Akrapovič designed a special titanium exhaust system for the Megane 275 Trophy which includes a carbon tailpipe trim.

This exhaust assembly gives Mégane R.S. 275 Trophy a deeper, more raucous sound signature that is sure to thrill engine aficionados!

# RENAULT SPORT

## 275 TROPHY

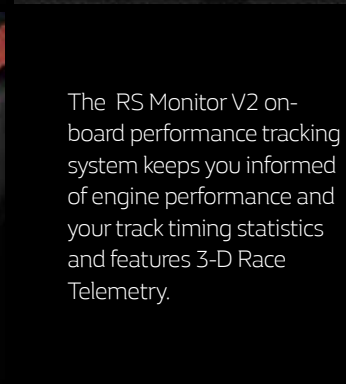

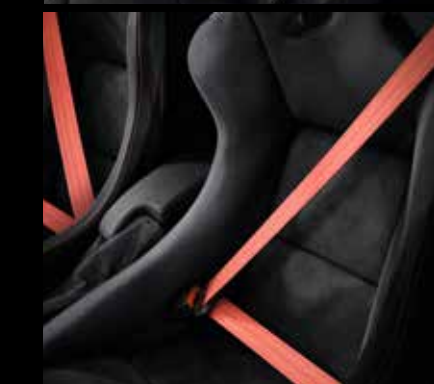

## Exclusive styling, Outside and inside

The Mégane R.S. 275 Trophy is recognizable at a glance, with its side panel Trophy decals and F1-style splitter with Trophy lettering. Reflecting RenaultSport's rallying activities, the new 19" Turini wheels feature the design used in competition. The numbered door sill guards underline the exclusive qualities of the new Trophy. Passengers are invited to slip into the Recaro seats, finished in leather and alcantara.

The interior design is a nod to the world of motorsports, with many elegant touches, such as the RenaultSport signature on the head restraints, the alcantara steering wheel, the Zamac Aluminium gear lever knob, the handbrake gaiter and the red top-stitching on the upholstery.

The Renault Multimedia System including 7" touch screen, TomTom® Live Satellite navigation system with South African maps, Eco Driving Menu, Bluetooth®, USB and AUX input will keep you entertained and on the right road. Dual zone climate control, Cruise Control with speed limiter, Renault hands-free key card, Automatic lights and wipers also aid to keep you comfortable and safe on your journey.

The RS Monitor V2 on-board performance tracking system keeps you informed of engine performance and your track timing statistics and features 3-D Race Telemetry.
