Passion for life

New
Renault **KWID**

Live for more

Live for discoveries. Live for adventure. Live for excitement. Welcome to the world of the Renault KWID. The KWID's design strategy symbolises dynamic performance, robust strength and a taste for adventure. Its SUV-inspired stance offers a high driving position and greater visibility, making it ideal for zipping around in urban traffic or cruising down the open highway. Go ahead, make the most of every day.

The Renault KWID comes powered with a 1.0 litre SCe engine that makes driving smooth and and engaging. The high-tech engine has been carefully crafted to deliver power, acceleration and great fuel efficiency. For an even more effortless driving experience an automatic AMT gearbox is available too.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Live for more style

The Renault KWID is designed to turn heads. Its SUV-inspired design with short front and rear overhangs along with high ground clearance exudes an impression of strength and robustness.

The bold, structured grille design highlights the Renault diamond logo, while the headlights incorporate Renault's new lighting signature with a C-shaped chrome trim. Stylish fog lamps further enhance the Renault KWID's striking stance. The chiselled, muscular front end flows into a dynamic profile, accentuated by turn indicators on the fender cladding.

The sculpted sides provide a fluid, dynamic touch with the rectangular forms of the black wheel arches, further accentuating the Renault KWID's SUV styling. The steeply-raked, forward-positioned windscreen lends a sense of movement and fluidity to the car's high waistline. The lower part of the rear bumper comes with a black trim, another SUV cue, while the integrated roof spoiler adds to the car's dynamic stance.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Live for more comfort

The Renault KWID's interior carries forward the same bold styling as the outside. The digital instrument cluster and piano black centre fascia with chrome surround harmoniously house the centrally-positioned MediaNav® system, creating a contemporary high-quality feel that combines style and practicality. The chrome highlights continue on the side AC vents and control knobs, lending the Renault KWID a stylish edge. The black, red and grey fabric of the ergo smart cabin further gives the Renault KWID's interior a sporty feel. The chunky steering wheel ensures you're always in control, while the 4-way adjustable driver seat means that you can find the most ideal driving position.

A surprisingly roomy interior that comfortably seats 5 is complemented by a host of convenient features. The adaptable ergonomic seats with bolster support offer superior comfort and a high driving position for better visibility, while the electric power steering and one-touch lane change indicator make driving a breeze. Power assisted front windows bring convenience to your fingertips while the powerful air-conditioner makes every drive pleasant.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Live for more technology

Find your way to a new adventure. The Renault KWID comes with a state-of-the-art, user-friendly MediaNav® Multimedia System which features a first-in-class seven-inch (18 cm) touchscreen display, complemented by two speakers in the front.
The Multimedia system comes with a range of functions such as Bluetooth® audio streaming & hands-free telephony, built-in navigation, USB & AUX–input ports and speed sensing volume control.

1.

2.

3.

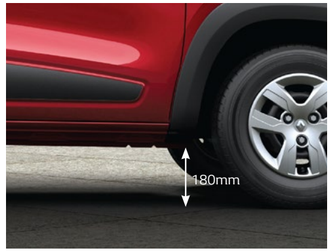
1. With just one touch, customise the 2D or 3D Birdview map display and activate voice guidance. MediaNav® comes with the touchscreen Nav N Go navigation system as standard. Simple and intuitive whether you are entering an address or updating maps on the https://renault.naviextras.com/ website. **2.** Listen to your music on the move with Bluetooth® technology or by connecting to the USB or jack sockets. **3.** Use Bluetooth® technology to make and receive calls hands-free, consult your phone book and look up your call history.

Live for more innovation

Introducing the Renault KWID AMT with innovative Easy-R Technology. The Renault KWID AMT features Easy-R Technology – a revolutionary 5-speed AMT.

The dash-mounted AMT Dial has three modes – Reverse, Neutral and Drive – and is designed to make driving effortless.

An advanced control unit automatically optimises gear shifting in accordance with driving conditions for smooth and regular acceleration. Now enjoy a clutch-free driving experience and get ready to drive the future.



Live for more performance and safety

The Renault KWID has an SCe – Smart Control efficiency engine for accurate air to fuel ratio monitoring – delivering the ultimate driving pleasure. A knock sensor automatically adjusts spark advance to fuel quality, to help deliver optimised performance and fuel efficiency from 4.4L/100km*.

The suspension system of the Renault KWID is calibrated for optimum ride, handling and braking, providing for a comfortable, safe drive. The ultra high ground clearance of 180mm allows you to take on any challenge with ease.

With your safety in mind, the Renault KWID comes equipped with high safety Pro-Sense front seat belts, a driver side airbag and central locking system. The front disc brakes ensure you're equipped for all weather conditions and road surfaces, while the high mount stop lamp and audible parking brake warning let you be at complete peace of mind all through the journey.

* Fuel consumption and CO_2 emissions are certified using a standard, regulated method.

Live for more convenience

Innovative smart storage spaces like the three set glove compartments, floor and door side console and centre console with bottle holders allow you to carry all essentials in the cabin at close reach. The Renault KWID's surprising boot space of 300 litres can be extended up to 1115 litres, making it the perfect partner for a long road trip.

The Renault KWID also comes with added features like remote central locking and a power socket to ensure that your phone's battery never runs out of charge. Getaways have never been this comfortable and convenient.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Parts Availability

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing.
We strive to ensure an excellent level of parts availability at our Renault Dealerships.

5 Year / 150 000km Warranty

With a 5 year / 150 000km warranty*, you're always covered.
Should you experience any mechanical failure resulting from a defect in an original part(s) on your new Renault vehicle, Renault will cover the cost of repairs for a period of 5 years or 150 000km.

Service / Maintenance Plans

We offer standard or tailor-made options to suit your needs.

Service Plan

Having a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won't have to worry about inflationary price increases on labour or parts; for the duration of your Service Plan.

Maintenance Plan

Upgrade to a full Maintenance Plan, a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, but also gives you greater peace of mind.

24HR Roadside Assistance

Whatever the emergency, we'll always be there.
Because your personal safety is of utmost importance to us, help is one phone call away. Simply dial 0861 736 2858 for assistance or for a team to be dispatched to you. Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.

*Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, cam belt, etc.
