RENAULT KOLEOS

assert your demands

Renault Koleos broadens your outlook. A previously unseen alliance of power and refinement, its assertive design pushes the boundaries of what is expected and expresses itself with innovative style. Its confident stature inspires respect.

An SUV with large shoulders and muscular side panels, its robust front end, broad tyres and large wheelbase give it the look of a partner that can rise to any challenge and take you further, whatever route or adventure you want to pursue.

Renault Koleos is a bold step forward in automotive design and technology. With space that exceeds expectations and levels of comfort and finish that make every journey a pleasure.

Features and images may vary and be optional depending on model, and are subject to change without notice.

the art of drawing attention

Renault Koleos embodies new aspirations. Charismatic, with a sense of detail and personality enhanced by its sleek appearance and athletic curves. The chrome inserts that start at the headlamps underline the vehicle's dynamism and strength of character in an elegant and singular fashion. The striking forms of the full LED lighting signature attract attention and make an impression. Right down to the robust look of the 18 inch alloy wheels, Koleos reflects your desire to get ahead.

Features and images may vary and be optional depending on model, and are subject to change without notice.

the journey starts with the interior

As soon as you settle on board, you already feel as if you are somewhere else. Nothing here is left to chance. Everything is a step above: the materials, the satin finish on the chrome inserts, and the finely stitched leather*. The driver's seat surrounds you in reassuring comfort.

Drive an SUV that offers you all of the advantages of an upmarket sedan. The raised seating position lets you master the road, and the architecture of the driving position bordered by the central console reinforces the feeling of protection. Grab handles serve as a reminder you're in a real SUV.

True refinement, for your pleasure on every journey.

*Bovine leather.

intuitive technology, instant pleasure

The technology provides you with all the new on-board experiences that Renault has to offer. A complete, intuitive universe of instant pleasure awaits you in the Koleos. Immerse yourself in a rich acoustic experience delivered via the premium Arkamys 3D Sound System.

The Koleos range features Apple CarPlay® and Android Auto® for a better experience. It's a 'capacitive' touchscreen, which means it's easy to use. Simply drag, pinch, or swipe to navigate the same way you would on a tablet or smart phone. After all, good technology makes life simpler, not more complicated.

Configure the display on the «TFT» (Thin-Film Transistor) screens on the dashboard, and choose your information using the 5 themes on offer with the Welcome Sequence and lighting signature illumination, the complete lighting environment in the cabin will harmonise. Go further and explore the intuitive world of the R-LINK 2 connected 8.7 inch tablet, fully control the vehicle's functions including multimedia, navigation, telephony, radio and driving assistance systems.

Renault Koleos rises to the challenge: it offers you the best technology which is easy to use!

every aspect of comfort

Renault Koleos is ambitious just like you, and takes every aspect of you and your passengers' comfort into account, offering both space and generous legroom.

A compartment for keeping your drinks hot or cold can be found at the front cabin. Well-being is everywhere for everyone on board Koleos.

Every detail of the interior has been carefully considered with clean lines and superior finishes with the inviting and enveloping driving position of an SUV for you to master all roads. Welcome to comfort that goes the extra mile.

freedom of movement

You approach and it reacts, switching on daytime running lights, unlocking doors, and extending door mirrors.

Do you need to load luggage? Use your remote key or place your foot underneath the rear bumper; the motorised tailgate opens automatically providing you with access to the 464 litre luggage compartment within just 5 seconds.

Organise modular space to your requirements in a single movement with the Easy Break system. The rear seats fold down to create a flat floor space. The low loading sill makes it easier to place your more cumbersome items inside.

Renault Koleos, live the unexpected.

safety tech

Drive with peace of mind on every adventure! Renault Koleos is on top of safety, extensively equipped with intuitive accident protection and prevention technologies.

Adaptive airbags that protects with multi-stage, variable force deployment airbags. This variable deployment is determined by the severity of the accident and proximity of the driver and front passenger to the dash or steering wheel. Renault Koleos also features lateral pelvis and chest level airbags for front occupants, and curtain airbags for the entire cabin.

Automatic locking when driving, or leaving the car, Renault Koleos will automatically engage the door locks, never leaving you exposed.

driver assistance

Enjoy your journey, while the Renault Koleos makes your drive safer and more relaxed, with well engineered driver assistance intuition.

Starting the Renault Koleos on steep slopes is no worry. When you take your foot off the brake, **hill-start assist** takes over and holds the vehicle steady for two seconds. This gives you time to accelerate normally without stalling or rolling back.

Your drive is covered by **front and rear parking sensors with rear parking camera**. The touchscreen display lets you know with visual guidelines and audible warnings when moving or static objects are too close for comfort.

Vehicles entering your blind spot are detected by a befitting **blind spot warning system**. An indicator light located on each wing mirror warning you of potential hazards.

Features and images may vary and be optional depending on model, and are subject to change without notice.
