All-New Renault DUSTER.
The unstoppable SUV equipped to go further.
Built for adventure, the all-new Renault Duster is a vehicle of distinctive styling. The tone is set by the aggressive lines and chrome trim of the grille, alongside a raised waistline and powerful C-shaped light signature. These strong, powerful lines are enhanced by 16” or 17” alloy wheel rims that underline the car’s character. A car to open new horizons.

Features and images may vary and be optional depending on model, and are subject to change without notice.
A cabin designed for you

The interior of the all-new Renault Duster reflects its generous, adventure-seeking nature. The spacious cabin is bright and reassuring. The driver* and passenger seats provide plenty of support to ensure comfort on your journey. The upholstery features a high-quality finish, as does the dashboard, where particular emphasis was placed on ergonomic design. Behind the steering wheel, adjustable for height and reach, TFT digital meters invite you on an inspirational and illuminated tour of discovery.

* With armrest and lumbar adjustment.
What could be more exciting than setting out on an adventure with your family or friends? It takes just a few seconds to adapt the modular interior layout of all-new Renault Duster to your needs or requirements: the rear bench seat features a 1/3-2/3 split-fold function, while the boot boasts record loading capacity*.

The Duster features an array of storage compartments around the cabin, from the doors to the seat backs via the central console.

*478 dm$^3$ in the 4x2 version.
Drive with an easy mind. Use the hands-free card* to unlock the doors automatically as you approach the vehicle. It also allows you to start and stop the vehicle without getting the key out of your pocket, and automatically locks the car as you walk away.

On the road, the blind spot warning* picks up any hidden vehicles, while the speed limiter and cruise control functions help you concentrate on your driving. Delivering real support, in the city and on the open road!

*Standard on Prestige model.
Harnessing the spirit of adventure

Nothing stops the all-new Renault Duster, neither sharp slopes, nor steep tracks.

**Hill Start Assist** and **Hill Descent Control** let you drive anywhere with ease.

With the **4x4 Monitor***, you can even check the pitch and roll angles of your SUV at any time. Explore without limits.

The **Transmission Mode Selector*** allows you to Switch between 3 driving modes.

- **2WD Mode** - engine torque distributed to the front wheels.
- **Automatic Mode** - distribution of engine torque over the four wheels depending on grip conditions.
- **Lock Mode** - engine torque distributed to all four wheels.

*Standard on 4x4 model
Rediscover effortless driving with the all-new Renault Duster. This trendsetter is available with two fuel options and three engine options.

Choose between the petrol powered 1.6L 16V and two versions of our incredible 1.5dCi turbo diesel engine.

**Features and images may vary and be optional depending on model, and are subject to change without notice.**

**DCi power**

**Performance and comfort**

Driving the Duster 1.5dCi is an amazing experience where driving confidence and comfort are the keywords in all situations, including the most extreme.

The diesel 1.5dCi 4x2's engine has outputs of 66kw and 210Nm and consumes from just 5.1L/100km. The 4x2 EDC and 4x4 manual version has outputs of 80kW and 250Nm with consumption from only 4.8L/100km.

**EDC**

**Dual-Clutch gearbox**

For greater comfort and pleasure, the 6-speed dual-clutch EDC automatic gearbox is available with the 1.5dCi diesel engine.

Upshifting is fast and smooth, with no jerking or loss in acceleration. Fuel consumption is comparable to that of the manual version from only 4.8L/100km.

**ABS**

**Anti-lock Braking System with (EBD) Electronic Brake Force Distribution**

In conjunction with (EBA) Emergency Brake Assist: makes it possible to maintain control over the trajectory in the event of heavy braking.

**Rear Park Distance Control**

To make parking manoeuvres easier. The parking distance control system warns you of obstacles situated behind the vehicle by a sequence of beeps which speed up the closer you are to them.

**MultiView Camera**

Connected to the MediaNav system, the MultiView Camera shows the images from Duster’s four on-board cameras. It is triggered by reverse gear or by a simple touch of the dedicated button. *Standard on 4x4 and Prestige model

**HSA**

**Hill Start Assist.** Starting the car on steep slopes is no longer a worry. When you take your foot off the brake, hill-starting assist takes over and holds the vehicle steady for two seconds. This gives you time to accelerate normally without stalling or rolling back.

**Always looking out for you**

**ABS-AFU**

**(ABS) Anti-lock Braking System with (EBD) Electronic Brake Force Distribution**

In conjunction with (EBA) Emergency Brake Assist: makes it possible to maintain control over the trajectory in the event of heavy braking.

Parts Availability
Whatever parts you need, should we not have them, we’ll offer you a mobility solution.
Renault ranks amongst South Africa’s motor industry leaders in affordable parts pricing. Parts availability is ensured in Renault dealerships, but should your Renault become immobilised through spare parts being unavailable, you will be offered a mobility solution.

5 Year / 150 000km Warranty
With a 5 year / 150 000km warranty*, you’re always covered.
Should you experience a mechanical failure resulting from a defect in an original part(s) on your new Renault vehicle, Renault will cover the cost of repairs for a period of 5 years or 150 000km.

Service / Maintenance Plans
We offer standard or tailor-made options to suit your needs.

Service Plan
Having a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won’t have to worry about inflationary price increases on labour or parts; for the duration of your Service Plan.

Maintenance Plan
Upgrade to a Maintenance Plan, a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, but also gives you greater peace of mind.

24hr Roadside Assistance
Whatever the emergency, we’ll always be there.
Because your personal safety is of utmost importance to us, help is always a phone call away. Simply dial 0861 736 2858 for assistance or for a team to be dispatched to you. Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.
